Permanent Make Up

Permanent Makeup can enhance your brows, eyes and lips and the results last, meaning you save time on your daily beauty routine!

You can look your best, morning, noon and night. It's the most positive, life-changing beauty treatment you can experience.

- Look and feel great without spending hours in front of the mirror
- Subtle to defined, understated to glamorous - there are lots of treatment options
- Results can last years (although you will need to keep your colours topped-up)

**For a two hour session including full consultation:
Brows from £280.00 • Eyeliner from £250.00 • Lips from £300.00**

Permanent Make Up Top Up

£40.00

Top-up may or may not be necessary. Must be taken 4-6 weeks after first appointment.

Recommended colour boost every 12-18 months.

LPG Treatments

LPG® Endermologie offers a 100% natural alternative: stimulating dormant cellular activity within our skin to fight all unaesthetic manifestations (wrinkles, sagging skin, localised resistant fat, cellulite appearance, and more).

We offer bespoke courses with big savings. Consultations are free of charge.

SVS Lashes

SVS (Speed, Volume, Style) is our latest revolutionary lash extension treatment.

This unique technique has been developed to ensure the health of your natural lashes are at the forefront, meaning your own lashes are protected while we create a custom lash look tailored just for you. A variety of styles are available with SVS, ranging from a natural looking volume to a fuller, more glamorous look - all in a much faster time than you will have ever experienced.

Brow and Lash Treatments

Totally tailored to you...

Your HD Brows Stylist will begin with an in-depth consultation to discuss size, shape and the look you want before beginning work on your bespoke brows. Custom-blended colour is applied and whether we darken, lighten or simply tone the natural colour of your brow hair, we'll ensure your new brows complement your look, and your style. From there, we use our exclusive brow mapping formula to design your unique shape before using a combination of HD hair removal techniques to create it. If there isn't enough hair to create your perfect arch immediately, we'll put you on a regrowth programme and work with you every step of the way to achieve the perfect brow for you.
